Phone No: +91-9940310699

LinkedIn id: https://www.linkedin.com/in/saravanan-m/

OBJECTIVE:

I am a result-driven student who is eager to learn new concepts, which I can apply to real life. With my strong research background, I aim to further my career in technology and creating business of my own with a position that will allow me to expand my horizons and reach my full potential. I would like to be a part of your organization that gives a scope to enhance my knowledge, to keep me updated and utilizing my skills towards the growth of the organization.

EDUCATIONAL QUALIFICATION:

- Bachelor of Engineering in Computer Science and Engineering, Panimalar Engineering College with 8.7 CGPA. Year of passing - 2020.

- AISSCE in with 79%. Year of passing - 2016. CHETTINAD VIDYASHRAM

- AISSE in CHETTINAD VIDYASHRAM with 78%. Year of passing - 2014.

ADDITIONAL QUALIFICATIONS AND CREDENTIALS:

TECHNICAL SKILLS:
- Programming Languages: Core Java, C#, Typescript, python(basic)

- Database: MySQL.

- Web API, Angular 8, Entity Framework Core

- Problem Solving Skill.

- Soft Skill (Global English -level 10)

- Debugging, Developer Tools, Googling

Work Experience

1.conversion of .cs to .ts files. Implementing custom directives for the entire Application.

2.Worked on reports module (Data binding, Http methods, Service file implementation, async/await, implemented custom ptable inside a drop down, designed a popup component, unit tested the component)

3.worked on admin tab (designed the tab and gave functionality like save, new, delete and red border validation with mat tool tip, dynamically open multiple tabs and close the specific or all tabs, maintain state between movement of tabs, Http methods, designed custom context menu for this tab)

4.Defect fixing by debugging the particular component using developer tools.

5. worked on teams explorer in vs2019(I know how to push, pull and create a new branch from the dev branch, how to resolve merge conflict)

6.Debugging of Silverlight application.

Learning Experience(current)

1.I am preparing for GCP ACE exam.
2.Exploring Data science field.

WORKSHOP

- Attended a workshop on CYBER SECURITY conducted by ProTrex

- Attended a Mini Tutorial on DEMYSTIFYING ML AND AI conducted by Amity Soft.

- Attended a workshop on PYTHON conducted by Panimalar Engineering College.

- Attended a workshop on IOT WITH RASPBERRY PI conducted by ALTSENSE.

- Attended a Workshop on ARobot conducted by Anna University.

ACADEMIC & COCURRICULAR:

- IEEE Program Committee Head (2018-2019) and CSI member.

- Participated in Industrial visit conducted by Accent TechnoSoft.

- Attended a presentation on MANAGEMENT PRACTISES IN ANCIENT INDIA conducted by CSI.

- Participated and won 3rd prize in Project Demonstration on the topic UGV in Panimalar Engineering College.

HACKATHON/COMPETITION:

- Participated in Rethink Passion Hackathon 2018 contest. developed an Idea to find the military man during an avalanche in a chronic situation.

- Qualifying to Zonal level competition 2018 in DRDO Robotics and Unmanned System (DRUSE)

INTERNSHIP:

Marketing Internship at cognitive edu (Marketed 18 courses worth Rs.13500)

Data Analytics and Visualization virtual internship at Taken Mind.

Internship (Software Engineer) at Infosys (.net core + Angular domain)
